The following Terms and Conditions are supplemental to the general terms and conditions to which you agreed when you opened your account. They apply only if you have a Low Emissions Vehicle (LEV) (as solely defined by the Department of Transport in the Republic of Ireland) AND you wish to avail of the government refund scheme for Low Emissions Vehicle. If you don't have this vehicle type then these Terms & Conditions (Supplemental) do not apply to you.

Terms & Conditions

1. There is no automatic enrolment in the LEVTI scheme. Applications for inclusion in the scheme must be made by the customer on a per vehicle basis. Acceptance of any vehicle for inclusion in the scheme is solely at the discretion of TollTag.ie. Discounts are applied only after TollTag.ie has explicitly accepted a vehicle for inclusion in the scheme. For the avoidance of doubt discounts do not become payable on any vehicle under this scheme until after TollTag.ie has evaluated and accepted a vehicle for inclusion in the scheme. The time and date of acceptance is recorded by TollTag.ie.
2. Credits/Refunds granted under the LEVTI scheme shall only be granted to vehicles enrolled in the scheme at the time the applicable journey was made. Under no circumstances shall credits/refunds be made for vehicles not enrolled in the scheme at the time of making an eligible journey.

In the event the customer does not agree with the outcome of their dispute then the customer may appeal their dispute to Transport Infrastructure Ireland who operate the discount scheme at the behest of the Minister for Transport. For the avoidance of doubt, customers understand and accept that appeals lodged later than 60 days after the disputed toll event cannot be entertained.

8. Scheme Limit Warning. When a customer's vehicle is within 10% of the scheme limit for a qualifying vehicle Tolltag.ie will use best endeavours to issue an email notification to the customer that they are approaching the discount limits as laid down by the [Scheme Rules](#).
